

Kirk Weaver

kweaver@mbakerintl.com

Kirk is a senior GIS project manager and manager of the Newark, NJ office of Michael Baker International.

Company: Michael Baker International

Education: BS Civil Engineering, Penn State

Interests: Database Development, Application Development, Automated Data Collection with LiDAR and Video

GIS Achievement: Continued service to NJDOT and NJ Transit as GIS On-Call consultants

What I like about MAGTUG: The diversity of backgrounds of the steering committee and members that are still within the realm of GIS-T

Factoid: I love maps and aerial imagery
