

Stephen W. Holt
holtstephenw@gmail.com

Stephen is a Geospatial Analyst currently working towards his Master of Professional Studies Degree in Homeland Security-Geospatial Intelligence from The Pennsylvania State University. As he pursued his undergraduate degree in Geospatial Science, his fascination with this field of study quickly turned into a passion. He graduated with a Bachelor of Science degree in Geospatial Science concentrating in Geoinformatics with a minor in Mandarin from Radford University in 2014. Following his undergraduate studies, he received his Post-baccalaureate Graduate Certificate in GIS from Virginia Commonwealth University.

Organization – Cross County Connection TMA

Education – Bachelors of Science Degree in Geospatial Science concentrating in Geoinformatics with a Minor in Mandarin from Radford University in 2014; Post-baccalaureate Graduate Certificate in GIS from Virginia Commonwealth University in 2015; Master of Professional Studies Degree in Homeland Security-Geospatial Intelligence from The Pennsylvania State University expected to graduate in 2018

Interests – GIS, Data Analytics, Government, Remote Sensing, Python, USGIF, Spatial Analysis, Remote Sensing

Geospatial Achievement – Getting accepted to The Pennsylvania State University for a Masters of Professional Studies in Homeland Security-Geospatial Intelligence

What I like about MAGTUG – I appreciate the sense of community and how involved everybody is!

Fun Factoid – I lived in Hong Kong for almost 10 years.
